   In case you wish to change the Priority Selection and Submission details, please click on the previous tab and make changes. In case you wish to change your Registration Details, please go to the Profile Management section on the top-right corner of the page and click on “Registration Details” to edit your registration details and then create another application and enter your priority details again and move ahead to “Preview and Submit” to see the updated details.

64. Will I be able to edit the details of my application after I have submitted it?
   No. There will be no changes allowed after the submission of your application. Please make sure that you review all details in the “Preview and Submit” tab before checking the declaration box and submitting your application.

View Existing Application Details

65. What are the next steps after I submit my application?
   Colleges to which you have applied for will invite you on a particular date for Document Verification. You will need to carry the original documents to the College to get your documents verified. Upon successful verification of your documents, you will need to pay fees either Online / Offline.
66. My application has been submitted to colleges. However, there are no updates on my application. What should I do?

   Please contact the colleges to which you have applied since any update on your application’s priority selection details status can be performed by the college themselves.

67. My document verification is not successful and has been rejected. What should I do?

   Please wait for the Document Verification to be done by other colleges that you have applied for in your priority selection and submission step.
   In case your documents have been rejected by all colleges which you had opted for, then you will need to submit a fresh application again to proceed further.

68. What does “Online” and “Offline” fee payment mean?

   In case of Online payment, the entire amount of fees that has been setup by the University and College combined will be collected in one go by means of online payment gateway.
   In case of Offline payment, the candidate will have to go the College, pay the fees as instructed by them and enter the details of the challan and upload a scanned copy of the challan.

69. What payment methods will I have in case of “Online”?

   You will be able to use Debit Card, Credit Card, Netbanking, UPI as well as wallets to make payment of fees.

70. Will I be able to pay fees partially while paying online?

   No. There is no provision to pay fees partially online and the entire amount needs to be paid in one go.
